

## DIRECTIONS FOR USE

PART NUMBER: 6000802

PRODUCT: BAER BRAKES SPRAY BRAKE CLEANER

REVISION: REVISION A

REVISION DATE: 21 JANUARY, 2025

**READ BEFORE USE!**

•**Notices** – Read and follow these directions for use before using Baer Brakes Spray Brake Cleaner. It is recommended to read the entire back label of the can before use.

**Directions for use:** To remove brake fluid, grease, oil, and other contaminants, spray brake parts liberally with Baer Brakes Spray Brake Cleaner and allow to run off. Air dry or dry with soft cloth. Repeat application if necessary. May be applied without disassembling the brake unit.

**Note:** Do not use on polycarbonate or styrenated plastics. Protect rubber components as well as painted and plastic parts from direct spray or over-spray as damage may occur.
