

Vantage CL1 Quick Start

Step 1

Locate the CL1 serial number, found on your CL1 data box.

Step 2

Go to portal.racepak.com to create your user account and register the CL1 for use.

Step 3

Utilize the Resource Center at portal.racepak.com for CL1 installation instructions.

Step 4

Using the mobile device to be utilized with the CL1, search Racepak D3 app on Google Play or Apple app store.

Step 5

Install the Racepak D3 app on the mobile device.

Step 6

Pair the mobile device with your CL1 data box per the CL1 installation instructions.
