

ULTRA XP

2 BARREL CARBS

PROVEN RESULTS OF THE ULTRA 4BBL SERIES - NOW IN A 2BBL!

FEATURES & BENEFITS

- All aluminum construction - for nearly 50% weight savings over zinc version
- Choke tower eliminated for unobstructed airflow
- **Approved for use in NASCAR® Mid-West/West Coast Late Model Divisions**

- Throttle shaft rides in oil impregnated sintered bronze bushings for smooth throttle actuation
- 20% more fuel capacity vs. a traditional v-bowl - eliminates fuel starvation and provides consistent air/fuel ratios
- Wedge float provides fuel control while cornering
- Built in drain plug provides easy access to empty contents of bowl

- -8 (o-ring) inlet threads offer a large variety of plumbing options (come with extended -8 o-ring to -8AN male adapter and -8 plug). Can be plumbed from either side

- 30cc pump with metal lever. Anti-siphon valve in mainbody to reduce pump pull over

- Slash-cut vent tube

- Contoured hex head squirter screw for streamlined airflow

- 1-3/8" Venturii & 1-11/16" Throttle Bore size

- Air bleeds moved outward to allow a smoother transition of airflow

- Air cleaner flange centered over venturii for improved airflow and performance. 5/16-18 air cleaner stud included

- Down-leg boosters for improved fuel signal

- Billet aluminum metering block for improved durability, true gasket sealing, good looks

- Knurled (hand adjustable) curb idle screw allow for easy idle adjustment without the use of tools

- 6061-T6 billet aluminum baseplates

- Set screw for wide open throttle stop adjustment

- Clear sight windows on both sides of bowl for easy & safe fuel level adjustments

- Dedicated race-only throttle lever with all unnecessary street attachment points & tangs removed

Part #	Description
0-4412BK	500CFM Ultra XP 2BBL - Tumble polished aluminum w/ Black™ metering block & baseplate
0-4412HB	500CFM Ultra XP 2BBL - Hard Core™ Gray w/ Black™ metering block & baseplate
0-4412E	500CFM Ultra XP 2BBL E85 - Hard Core™ Gray w/ Black™ metering block & baseplate
-CALIBRATED FOR E85!	
17-89	2BBL Ultra XP Spacer - Clear
17-90	2BBL Ultra XP Spacer - Black
37-1550	Rebuild Kit for 4412XP

- Internal pump passage on metering block equipped with tunable bleed off

- Fuel trough designed into floor of bowl to route fuel flow directly to the jets and assists in keeping jets covered by fuel

- Fuel shelf below the needle and seat to greatly minimize fuel aeration and promote more consistent metering

- Internal baffling to help control fuel slosh and minimize float level fluctuations in hard launching or cornering situations

Available in **Hard Core™ Gray**
Hard coat anodizing - penetrates the aluminum for superior corrosion protection!
